

Christians for Syracuse General Donation Form

Christians for Syracuse is the oldest evangelical organization in Central New York that exists to foster church and personal relationships across denominational lines. It was organized in 1974, and was affiliated with the National Association of Evangelicals for over thirty years. Meetings are attended by a good cross-section of believers from a variety of Christian persuasions. The stated purposes of Christians for Syracuse are to unite publicly, across denominational and other lines, those are solidly identified with historic, biblical Christianity; to encourage our members to stand firm for the Gospel by regular schedule of meetings which facilitate mutual nurture and challenge; to publicize and sponsor, when possible and appropriate, public expressions of our Lord's words and works, in joint evangelical witness to the larger community.

All proceeds apply directly to Christians for Syracuse and its mission. Thank you for your contribution!
